

Addressing the issues noted in the January 7, 2011 notice regarding Crawford for Congress (C00462374) 30-Day Post-General Report:

1) 48-Hour Notices were not filed for the following donations: a) Ruddy, Christopher, 10/14/10, \$1,500; b) Fazakerley, Gregory, 10/18/10, \$2,400; c) Whiddon, Thomas, 10/18/10, \$2,083.33; d) McCaffery, Michael, 10/20/10, \$2,054.54. These contributions were the source contributions backing the \$9,785.04 Authorized Committee transfer on 10/29/10 from the Founders Joint Candidate Committee. This transfer was reported on a timely-filed 48-Hour Notice; however, the information of the backing donations was not available at that time.

2) Per discussion with Ms. Vicky Davis at the FEC, there apparently was no duplicate 48-hour filing regarding the \$1,000 donation received on 10/19/10 from General Dynamics Voluntary Political Contribution Plan. Therefore, no action is required on this issue.

3) The process by which the Crawford for Congress campaign collects required employer and occupation information is as follows: When a contribution is received in person, the occupation and employer information is requested from the donating party. If a donation is received unsolicited via mail, the occupation and employer information is requested via phone from the donor. If the donation is received online, the employer and occupation information is required to complete the transaction. If these efforts to obtain the information prove unsuccessful, an information request card (along with a pre-addressed return envelope) is mailed to the donor within 30 days clearly asking for the missing information and informing the donor of the requirements of federal law for the reporting of such information. If we are unable to collect the information, we populate each field with either 'Information Requested' or 'Requested.'
